Greenwise People with Surrey Hills and Rivers is a unique collaboration created to deliver corporate events. **Greenwise People** has been dedicated to serving the education, corporate, and charity sectors by delivering reputable outdoor training and workshops that reconnect people of all ages with nature and with one another since 2010. **Surrey Hills and Rivers** brings over 20 years' experience in corporate leadership and has been hosting unique countryside experiences since 2021.

Our events are hosted at Imbhams Farm, Haslemere, Surrey, GU27 2EX in the **Surrey Hills National Landscape**. Basecamp includes the comfort of toilets and an atmospheric sheltered dining area for any weather, alongside a registered kitchen - or choose outdoor cooking options including pizza oven and barbecue. Accommodation is also available locally, either bell tent camping on-site as part of the experience (May to September), or nearby hotels for convenience.

From base camp the group can enjoy a range of farm-based or team activities or workshops, and can immerse themselves in our private woodland.
